Circular No: 38/AY 2020-2021 Subject: 2nd Term academic plan, and the use of technology (Apple iPads and laptops)

Dear Parents,

As we approach the end of the first term, I want to thank all our parents for your continued support and your positive response to the school's clinic and our safety regulations during the pandemic, which has been truly remarkable.

Your efforts and flexibility towards the many changes we had to make to accommodate our students' learning within a safe environment have enabled our school to reflect on best practices and to continue advancing teaching and learning and supporting our students with their knowledge.

I recognize that, for many of parents, students and staff, these adjustments, and the ongoing impact of the virus on our loved ones and personal lives, have presented additional challenges, demands and stresses.

With this in mind, we appreciate your ongoing efforts and your response to the survey that was sent out to establish the number of students that will return to Face-to-Face learning, or will remain in Full Distance Learning, and share the following data that was collected and analyzed:

In KG 1: (2) classes will be taught through Full Distance Learning while (8) types will return for Face-to-Face teaching and learning and the alternative week model of A and B groups.

In KG 2: (2) classes will be taught through Full Distance Learning while (8) levels will return for Face-to-Face teaching and learning and the alternative week model of A and B groups. One new teacher was recruited for an additional number of students in KG 2.

Grade 1: (2) classes will be taught through Full Distance Learning, while (6) classes will be taught through Face-to-Face teaching and the alternative week model of A and B groups.

Grade 2: Only (1) class will be taught through Full Distance learning, while (5) classes will be guided through Face-to-Face teaching and the alternative week model of A and B groups.

Grade 3: (2) classes will be taught through Full Distance Learning, while (4) courses will be conducted through Face-to-Face teaching and the alternative week model of A and B groups.

Grade 4: (2) classes will be taught through Full Distance learning, while (4) courses will be conducted through Face-to-Face teaching and learning and the alternative week model of A and B groups.

Please take note that as far as possible, we will do our utmost to keep the students of alternative weeks in the A and B groups as previously allocated, however, parents must be flexible and need to keep in mind that we have to adhere to the government regulations on restricted numbers per class.

According to ADEK's regulations, only 15 students are allowed in Grade 1-10, and 10 students are permitted in the Kindergarten classes, and therefore, due to the majority of students returning to the school, some changes to your children's grade and section will be inevitable.

Apple iPads Phase 2:

We are planning to engage our students in Grade 5-10 with the full use of technology during Face-to-Face teaching. تعميم رقم: 38 / العام الأكاديمي 2020-2021 الموضوع: الخطة الأكاديمية للفصل الدراسي الثاني، واستخدام التكنولوجيا (أجهزة أبل آيباد وأجهزة الكمبيوتر المحمولة)

السّادة أولياء الأمور الكرام، تحيّة وبعد

مع اقتراب نهاية الفصل الدراسي الأول، أود أن أشكر جميع أولياء الأمور على دعمكم المستمر واستجابتكم الإيجابية لعيادة المدرسة ولوائح السلامة الخاصة بنا أثناء الوباء، والتي كانت رائعة حقًا.

إن جهودكم ومرونتكم تجاه التغييرات العديدة التي كان علينا إجراؤها لاســتيعاب تعلم طلابنا في بيئة آمنة قد مكنت مدرســتنا من التفكير في أفضــل الممارسات ومواصلة النهوض بالتعليم والتعلم ودعم طلابنا بمعرفتهم.

أدرك أن التغيرات والتأثير المستمر بسبب جائحة كوفيد 19 سببت تحديات ومطالب وضغوطات إضافية للعديد من الآباء والطلاب والموظفين.

<u>مع وضع ذلك في الاعتبار، نقدر جهودكم المستمرة واستجابتكم للاستطلاع الرأي الذي تم إرساله لتحديد عدد الطلاب الذين سيعودون إلى التعلم</u> وجهًا لوجه، أو سيبقون في التعلم عن بعد بشكل دائم، ونشارككم البيانات التالية التي تم جمعها وتحليلها:

- الروضة الأولى: سيكون هناك 2 فصول للتعليم عن بعد بشكل دائم و8 فصول للتعليم الهجين عبر نموذج الأسبوع البديل لمجموعات "أ" و "ب
- <u>الروضة الثانية:</u> سيكون هناك <u>2 فصول للتعليم عن بعد بشكل دائم</u> و8 فصول للتعليم الهجين عبر نموذج الأسبوع البديل لمجموعات "أ" و
- الصف الأول: سيكون هناك 2 فصول للتعليم عن بعد بشكل دائم و6 فصول للتعليم الهجين عبر نموذج الأسبوع البديل لمجموعات "أ" و "ب
- الصف الثاني: سيكون هناك فصل واحد للتعليم عن بعد بشكل دائم و5 فصول للتعليم الهجين عبر نموذج الأسبوع البديل لمجموعات "أ" و
- <u>الصف الثالث:</u> سيكون هناك <u>2 فصول للتعليم عن بعد بشكل دائم</u> و4 فصول للتعليم الهجين عبر نموذج الأسبوع البديل لمجموعات "أ" و "ب
- الصف الر ابع: سيكون هناك 2 فصول للتعليم عن بعد بشكل دائم و4 فصول للتعليم الهجين عبر نموذج الأسبوع البديل لمجموعات "أ" و "ب

يرجى <mark>ملاحظة</mark> أننا سنبذل قصارى جهدنا للحفاظ على طلاب الأسابيع البديلة في المجموعتين كما تم تخصيصهما مسبقًا قدر الإمكان، ومع ذلك، يجب على الآباء التحلي بالمرونة ويجب أن نضع في اعتبارنا أنه يتعين علينا جميعا الالتزام باللو ائح الحكومية بشأن عدد الطلاب المسموح به داخل كل فصل.

<u>وفقًا للو ائح دائرة التعليم والمعرفة، يُسمح لـ 15 طالبًا فقط في الصفوف من الأول الى العاشر، ويسمح لـ 10 طلاب فقط في فصول رياض</u> <u>الأطفال،</u> وبالتالي، نظرًا لعودة غالبية الطلاب إلى المدرسة، سيتم إجراء بعض التغييرات على قوائم الطلاب والفصول.

المرحلة الثانية للأجهزة الالكترونية:

نظرًا لأننا نخطط لإشراك طلابنا في الصفوف من الخامس الى العاشر بالاستخدام الكامل للتكنولوجيا أثناء التدربس وجهًا لوجه فإن شركائنا (JTRS) يطلقون المرحلة الثانية لأجهزة أيباد لدعم هؤلاء الطلاب الذين ليس لديهم أجهزة إلكترونية. تم توفير التواربخ التالية لمساعدة الآباء لشراء أجهزة الإلكترونية وتراخيص MDM.
